NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

EFFECTIVE APRIL 14, 2003

We are required by the privacy regulations issued under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") to maintain the privacy of our Plan's customers' Protected Health Information, to provide those customers with notice of our legal duties and privacy practices with respect to Protected Health Information, and to send notification to affected customers if there is a breach of unsecured Protected Health Information. If your state provides privacy protections that are more stringent than those provided by HIPAA, we will maintain your Protected Health Information in accordance with the more stringent state standard.

This Notice applies to "Protected Health Information" associated with "Health Plans" issued by American Heritage Life Insurance Company.

This Notice describes how we may use and disclose Protected Health Information to perform claims handling, payment, general insurance operations, and for other purposes that are permitted or required by law. Use or disclosure of your Protected Health Information for the purposes described in this Notice may be made in writing, orally, or by electronic means.

We are required to abide by the terms of this Notice. However, we may change the terms of this Notice at any time. If we change this Notice, we may make the new notice terms effective for all of your Protected Health Information that we maintain, including any information we created or received prior to issuing the new notice. If we make a material revision to our Privacy Notice, copies will be sent to you if you are then currently insured under our Plan.

Protected Health Information means information about you that is created or received by us and during the administration of coverage under the Plan, which identifies you or for which there is a reasonable basis to believe the information can be used to identify you and that relates to:

- 1) the past, present or future physical or mental health condition of the individual; or
- 2) the provision of health care to the individual; or
- 3) the past, present or future payment for the provision of health care to the individual.

Uses and Disclosures of Protected Health Information With Your Written Authorization

Except as described in the next section of this Notice, we will not use or disclose your Protected Health Information for any purpose unless you have signed a form authorizing the use or disclosure. For example, most uses and disclosures of psychotherapy notes, uses and disclosures of Protected Health Information for marketing purposes, and disclosures that constitute a sale of Protected Health Information will be made only with your authorization. You have the right to revoke that authorization in writing at any

time, except to the extent that we have already taken action in reliance on the authorization; or the authorization was obtained as a condition of obtaining coverage, to the extent that other law allows the insurer to contest a claim under the policy or the policy itself.

Uses and Disclosures of Protected Health Information Without Your Written Authorization

For Payment. We may make use of and disclose your Protected Health Information without your written authorization as may be necessary for payment purposes. For example, we may use information regarding your medical procedures and treatment to process and pay claims or certify these services are covered under your Plan.

For Plan Administrative Operations. We may make use of and disclose your Protected Health Information without your written authorization as necessary for our Plan administrative operations. Plan administrative operations include our usual business activities, examples of which are management, licensing, peer review, quality improvement and assurance, enrollment, underwriting, reinsurance, compliance, auditing, rating, claims handling, complaint handling and other functions related to your Plan. We are prohibited from using or disclosing genetic information for underwriting purposes.

To Individuals Involved In Your Care. We may, without your written authorization, for the purposes of treatment, payment or Plan administrative operations, disclose the fact that you are covered under a Plan or that payment has been processed to a family member, other relative, your close personal friend or any other person you may identify. In these circumstances, we would not disclose any Protected Health Information which is not directly relevant to that person's involvement with your care or with payment for your care.

If you have designated a person to receive information regarding payment of the premium or pay premium via credit card, we may inform that person or credit card facility when your premium has not been paid or received by us.

We may also disclose limited Protected Health Information to a public or private entity that is authorized to assist in disaster relief efforts in order for that entity to locate a family member or other persons that may be involved in some aspect of caring for you.

To Our Business Associates. Certain aspects and components of our services are performed through contracts with outside persons or organizations. Examples of these may include, but are not limited to our duly appointed insurance agents, financial auditors, reinsurers, legal services, enrollment and billing services, claim payment and medical management services. We may provide access to your Protected Health Information without your written authorization to one or more of these outside persons or organizations who assist us with payment or Plan administrative operations. We require these business associates to appropriately safeguard the privacy of your information.

To Plan Sponsors. If you are enrolled in a group health plan, we may share summary health information with your employer, union, or other employee organization that sponsors and maintains the group health plan, for purposes of obtaining premium bids; or modifying, amending, or terminating the group health plan; or enrollment and disenrollment information. Summary health information excludes genetic information.

For Other Products and Services. We may contact you without your written authorization to provide information regarding Plan upgrades or additional benefits that may be of interest to you. For example, we may use the fact that you currently are insured under a Plan for the purpose of communicating to you about changes to our Plan or products that could enhance or add value to existing coverage.

For Disclosure With Authorization. Unless otherwise excluded in this notice, we will not disclose any other Protected Health Information to any person or entity not specifically mentioned elsewhere in this Notice without your express written authorization.

For Other Uses and Disclosures. We are permitted or required by law to make some other uses and disclosures of your Protected Health Information without your authorization. We may release your Protected Health Information:

- if required by law to a government authorized health oversight agency or company conducting audits, investigations, or civil or criminal proceedings.
- if required to do so by a court or administrative ordered subpoena or discovery request. In most cases you will have notice of such a release.
- for public health activities, such as required reporting of disease, injury, birth and death and for required public health investigations.
- as required by law if we suspect child abuse or neglect or if we believe you to be a victim of abuse, neglect or domestic violence.
- to the Food and Drug Administration if necessary to report adverse events, product defects or to participate in product recalls.
- to law enforcement officials as required by law to report wounds, injuries or crimes.
- to coroners, medical examiners and/or funeral directors consistent with law.
- for a national security or intelligence activity or, if you are a member of the military, as required by the armed forces.
- to workers' compensation agencies or similar programs, established by law, that provide benefits for work-related injuries or illness without regard to fault.

Your Rights

Right to Inspect and Copy Your Protected Health Information. You may have access to our records that contain your Protected Health Information in order to inspect and obtain copies of the records. Under limited circumstances, we may deny you access to a portion of your records. If you desire access to your records, please obtain a record request form from our Privacy Officer and submit the completed form to our Privacy Office. If you request copies, we may charge you copying and mailing costs. If you request a copy of your Protected Health Information in electronic form, we will provide it to you electronically only if the record is readily producible in electronic form.

You have the right to request that we amend your Protected Health Information maintained in our enrollment, payment, claims adjudication and case or medical management records, or other records we use to make decisions about you. If you desire to amend these records, please obtain an amendment request form from our Privacy Officer and submit the completed form to our Privacy Office. We will comply with your request unless special circumstances apply. If your physician or other health care provider created the information that you desire to amend, you should contact the provider to amend the information.

Right to an Accounting of the Disclosures of Your Protected Health Information. Upon request, you may obtain an accounting of certain disclosures of your Protected Health Information made by us on or after April 14, 2003, excluding disclosures made earlier than six years before the date of your request. If you request an accounting more than once during any 12 month period, we will charge you a reasonable fee for the subsequent accounting statements.

Right to Request Confidential Communications. We will accommodate your reasonable request to receive communications of your Protected Health Information from us by alternative means of communication or at alternative locations if the request clearly states that disclosure of that information could endanger you.

Right to Request Restrictions on Use and Disclosure of Your Protected Health Information. You have the right to request restrictions on some of our uses and disclosures of your Protected Health Information to family members and others involved in your care or payment for care; or some of our uses and disclosures used to carry out treatment, payment, or Plan administrative operations, by notifying us of your request for a restriction in writing mailed to the contact identified at the end of this Notice. Your request must describe in detail the restriction you are requesting. We are not required to agree to your restriction request but will attempt to accommodate your requests. We retain the right to terminate an agreed-to restriction. In the event of a termination of an agreed-to restriction by us, we will notify you of such termination, but the termination will only be effective for Protected Health Information we receive after we have notified you of the termination. You also have the right to terminate any agreed-to restriction by contacting us using the “Contact Information” provided at the end of this Notice.

Personal Representatives. You may exercise your rights through a personal representative who will be required to produce evidence of his or her authority to act on your behalf. Proof of authority may be made by a notarized power of attorney, a court order of appointment of the person as your legal guardian or conservator, or if you are the parent of a minor child. We reserve the right to deny access to your personal representative.

Right to Receive Paper Copy of this Notice. You may obtain a copy of this Notice. You may obtain a paper copy of this Notice even if you agreed to receive such notice electronically. Please contact us and we will mail it to you.

**SUMMARY OF THE LOUISIANA LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION ACT AND
NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS**

Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are required by law to be members of LLHIGA. The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

DISCLAIMER

The Louisiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. *COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.* Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage.

Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer.

The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S. 22:2081 et seq. The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well, even if they live in another state unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.

EXCLUSIONS FROM COVERAGE

1. A person who holds a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:
 - a. he is eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
 - b. the insurer was not authorized to do business in this state;
 - c. his policy was issued by a profit or nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined in R.S. 22:952(A)(3), or any entity similar to any of these.
2. LLHIGA also does not provide coverage for:
 - a. any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
 - b. any policy of reinsurance (unless an assumption certificate was issued);
 - c. interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
 - d. dividends, premium refunds, or similar fees or allowances described under the Law;
 - e. credits given in connection with the administration of a policy by a group contract holder;
 - f. employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
 - g. unallocated annuity contracts (which give rights to group contract holders, not individuals), except unallocated annuity contracts and defined contribution government plans qualified under section 403(b) of the United States *Internal Revenue Code* (26 U.S.C. §403(b));
 - h. an obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the law;
 - i. a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part C coverage" or "Medicare Part D coverage" and any regulation issued pursuant to those parts;
 - j. interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNT OF COVERAGE

1. The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out.
2. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:
 - a. LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired to an insolvent insurer.
 - b. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
 - c. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.
3. In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverage, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.

POLICYHOLDER PROVISIONS

RATE GUARANTEE

A change in premium rate will not take effect before the Rate Guarantee Date. However, we may change premiums at any time for reasons which affect the risk assumed, including those reasons shown below:

1. a change occurs in this plan design; or
2. a division, subsidiary, or affiliated company is added or deleted; or
3. the number of insured employees or members changes by 25% or more; or
4. a new law or a change in any existing law is enacted which applies to this plan; or
5. less than 25% of those eligible for coverage are participating.

We will notify the policyholder in writing at least 45 days before a premium rate is changed. A change may take effect on an earlier date when both we and the policyholder agree in writing. Rates shall not increase in the first 12 months of coverage and shall not increase more than once in a 6-month period thereafter.

PREMIUM INCREASES OR DECREASES

Premium increases or decreases may take effect any time subject to the RATE GUARANTEE provision. If they take effect during a policy month, they are adjusted and due on the next premium due date following the change. Changes will not be pro-rated daily.

If premiums are paid on other than a monthly basis, premiums for increases and decreases will result in a monthly pro-rated adjustment on the next premium due date.

INFORMATION REQUIRED FROM THE POLICYHOLDER

The policyholder must provide us with the following on a regular basis:

1. information about employees or members:
 - a. who are eligible to become insured; and
 - b. who are insured; and

Policyholder records that have a bearing, in our opinion, on this policy will be available for review by us at any reasonable time.

CANCELING POLICY

This policy and any riders can be canceled:

1. by us; or
2. by the policyholder.

We may cancel or offer to modify this policy, with at least 60 days notice to the policyholder, if:

1. less than 25% of those eligible for coverage are participating; or
2. this policy has been in effect more than 12 months; or
3. the policyholder does not promptly provide us with information that is reasonably required; or
4. the policyholder fails to perform any of its obligations that relate to this policy; or
5. fewer than 5 employees or members are insured; or
6. premiums are not received within the 31 day grace period.

If the premiums are not received during the grace period, this policy will terminate automatically at the end of the grace period. This policy provides no coverage during the grace period unless premiums are paid in full prior to the end of the grace period. All premiums due must be paid to us for the full period this policy is in force.

The policyholder may cancel this policy by notice delivered to us at least 31 days prior to the cancellation date. When both the policyholder and we agree, this policy can be canceled on an earlier date. If canceled, coverage will end at 12:00 midnight on the last day of coverage.

If this policy is canceled, the cancellation will not affect a payable claim incurred prior to cancellation.

GENERAL PROVISIONS

EFFECTIVE DATE OF COVERAGE

Coverage for each eligible employee or member will be effective at 12:01 a.m. on the effective date shown on page 3 of the certificate of insurance issued to that employee or member provided he or she is actively employed on that date.

If the employee or member is not actively employed on that date due to temporary layoff, leave of absence or Family and Medical Leave of Absence, coverage begins on the date he or she returns to active employment. This applies to initial coverage, as well as any increase in coverage that occurs after the employee's or member's initial coverage is effective.

For any change in coverage, the change is effective on the date we receive such request for change.

Any decrease in coverage will take effect on the first day of the calendar month that next follows the date the employee or member applies for the decrease, but will not affect a payable claim that occurs prior to the effective date of the decrease.

CERTIFICATES OF INSURANCE

We will furnish to the policyholder a certificate of insurance for delivery to each insured employee or member. The certificate will provide a description of the insurance provided by this policy and will state:

1. the essential features of the insurance coverage; and
2. to whom benefits are payable.

If there is any discrepancy between the provisions of any certificate and the provisions of this policy, the provisions of this policy govern.

WHEN AN ELIGIBLE EMPLOYEE OR MEMBER CAN ENROLL, CHANGE OR DISCONTINUE COVERAGE

1. The employee or member may apply for coverage during:
 - a. the initial enrollment period; or
 - b. at any time.
2. The insured employee or member may increase coverage at any time.
3. The insured employee or member may decrease coverage at any time.
4. The insured employee or member may discontinue coverage at any time.

(This space intentionally left blank)

GENERAL PROVISIONS (Continued)

ELIGIBILITY OF DEPENDENTS

Eligible dependents are the insured employee's or member's:

1. legal spouse or domestic partner; and
2. children and domestic partner's children.

A child is a person under age 26 who is:

1. the insured employee's or member's or his or her domestic partner's natural or adopted son or daughter, stepson or stepdaughter; or
2. a foster child who is placed with the insured employee or member or his or her domestic partner by an authorized placement agency or by judgment, decree or other order of any court of competent jurisdiction; or
3. the insured employee's or member's or his or her domestic partner's grandchild who is in his or her custody.

A child born to the insured employee or member or his or her spouse or domestic partner will be eligible for coverage. This coverage begins at the moment of birth of such child and benefits will be the same as provided for any other child insured under this policy. No additional premium will be required for newborns added if the insured employee or member already has children or family coverage in force at the time the newborn is added.

If the insured employee or member does not already have children or family coverage in force, newborn children are automatically covered from the moment of birth for a period of 31 days. If the insured employee or member desires uninterrupted coverage for a newborn child, he or she must notify the policyholder within 31 days of that child's birth. Upon notice to us, we will change the coverage to include the additional child and provide notification of the additional premium due. If the insured employee or member does not notify the policyholder within 31 days of the birth of the child, the temporary automatic coverage ends.

If the insured employee or member marries and desires coverage for his or her spouse, he or she must notify the policyholder of the marriage within 31 days of the marriage. Upon notice to us, we will change the coverage to include the insured employee's or member's spouse and provide notification of the additional premium due.

If the insured employee or member enters into a domestic partnership and desires coverage for his or her domestic partner, he or she must notify the policyholder of the domestic partnership within 31 days of the date the domestic partnership was formed. Upon notice to us, we will change the coverage to include the insured employee's or member's domestic partner and provide notification of the additional premium due.

An adopted child or child pending adoption will be covered as follows:

1. Coverage is retroactive from the moment of birth for a child with respect to whom a decree of adoption by the insured employee or member has been entered within 31 days after the date of birth.
2. If adoption proceedings have been instituted by the insured employee or member within 31 days after the date of birth and he or she has temporary custody, coverage is provided from the moment of birth.
3. Coverage shall begin from the moment of placement.

Coverage will be provided as long as the insured employee or member has custody of the child pursuant to decree of the court and required premiums are paid.

If the insured employee or member does not already have children or family coverage in force, adopted children or children pending adoption are automatically covered as described above for a period of 31 days. If the insured employee or member desires uninterrupted coverage for an adopted child or child pending adoption, he or she must notify the policyholder within 31 days of the moment of placement. Upon notice to us, we will change the coverage to include the additional adopted child or child pending adoption and provide notification of the additional premium due.

If the insured employee or member already has children or family coverage in force, no additional premium will be required for an adopted child or foster child at the time the adopted child or foster child is added.

GENERAL PROVISIONS (Continued)

TERMINATION OF COVERAGE

The insured employee's or member's coverage under this policy ends on the earliest of:

1. the date this policy is canceled; or
2. the last day of the period for which any required premium payments were made; or
3. the last day the insured employee or member is actively employed with the employer or a member in good standing in the labor union, association or other entity that is the policyholder, except as provided under the TEMPORARY LAYOFF, LEAVE OF ABSENCE OR FAMILY AND MEDICAL LEAVE OF ABSENCE provision; or
4. the date the insured employee or member is no longer in an eligible class; or
5. the date the insured employee's or member's class is no longer eligible; or
6. our discovery of fraud or material misrepresentation in the presentation of a claim under this policy.

We will provide coverage for a payable claim that occurs while a covered person is covered under this policy.

If the insured employee's or member's spouse is a covered person, the spouse's coverage ends upon valid decree of divorce or the insured employee's or member's death.

If the insured employee's or member's domestic partner is a covered person, the domestic partner's coverage ends upon termination of the domestic partnership or the insured employee's or member's death.

Coverage for a child will end upon the insured employee's or member's death, or on the issue day of the month that follows when the child: (a) reaches age 26; or (b) otherwise does not meet the requirements of an eligible dependent.

Coverage does not end for an incapacitated dependent child who:

1. is incapable of self-sustaining employment by reason of mental or physical incapacity; and
2. became so incapacitated prior to the attainment of the limiting age of eligibility under this policy; and
3. is chiefly dependent upon the insured employee or member for support and maintenance.

Coverage for an incapacitated dependent child continues as long as this policy remains in force and the child remains in such condition. Proof of the incapacity and dependency of the child must be furnished, in writing, to us when the child reaches the limiting age of eligibility. Thereafter, such proof must be furnished as often as may be required, but no more often than annually after the child's attainment of the limiting age for eligibility.

If we accept a premium for coverage extending beyond the date, age or event specified for termination as to a covered person, such premium will be refunded, coverage will terminate and claims will not be paid. There may be no refund due if the insured employee or member has children or family coverage in force and there are other eligible dependents still insured under this policy.

Coverage may be eligible for continuation as outlined in the CONTINUATION OF INSURANCE COVERAGE provision.

TEMPORARY LAYOFF, LEAVE OF ABSENCE OR FAMILY AND MEDICAL LEAVE OF ABSENCE

If the insured employee or member ceases active employment or membership in the union or association because of a temporary layoff or leave of absence while coverage is in force, we will continue the coverage in accordance with the personnel practices of the policyholder, if premium payments continue and the policyholder approved the leave in writing. Coverage will be continued for 3 months following the date the insured employee or member ceased active employment or membership in the union or association.

If the insured employee's or member's coverage ends while on a Family and Medical Leave of Absence, the coverage will be reinstated when he or she returns to active status.

DISCRETIONARY AUTHORITY, IF GOVERNED BY ERISA

The following applies only when the administration of the policy is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.:

We have the discretion and authority to construe disputed or seemingly inconsistent provisions of the policy and to make all decisions regarding eligibility and/or entitlement to coverage or benefits. Whenever we make reasonable determinations which are not arbitrary or capricious in the administration of the policy, such determinations shall be final and conclusive.

GENERAL PROVISIONS (Continued)

LEGAL ACTION

No legal action may be brought to obtain benefits under this policy:

1. for at least 60 days after proof of loss has been furnished; or
2. after the expiration of 3 years from the time proof of loss is required to have been furnished.

INCONTESTABILITY

After 2 years from the effective date of this policy, no misstatement of the policyholder, made in writing, can be used to void this policy.

CLERICAL ERROR

Clerical error on the part of the policyholder or us will not invalidate insurance otherwise in force nor continue insurance otherwise terminated. Upon discovery of any error, an adjustment will be made in the premiums and/or benefits available. Complete proof must be supplied by the policyholder documenting any clerical errors.

AGENCY

For purposes of this policy, the policyholder acts on its own behalf or as the insured employee's or member's agent. Under no circumstances will the policyholder be deemed the agent of American Heritage Life Insurance Company.

ENTIRE CONTRACT

The contract consists of the following items:

1. the group policy; and
2. any amendments and endorsements; and
3. the applications and other written statements of the policyholder; and
4. any individual applications, enrollments, or other statements made by a covered person.

Any statements made by the policyholder or by a covered person, in the absence of fraud, are representations and not warranties. Only written statements signed by the policyholder or a covered person will be used in defense of a claim. A copy of any written statement, if applicable, will be furnished to the policyholder or the covered person or his or her personal representative, if any, if such written statement will be used in defense of a claim.

(This space intentionally left blank)

CONTINUATION OF INSURANCE COVERAGE

This section provides for automatic Continuation of Insurance Coverage, hereafter referred to as Continuation Coverage. It applies if a covered person suffers the loss of this group accident coverage due to one of the following events:

1. Termination of the insured employee's or member's employment; or of an insured employee's or member's eligibility due to reduction in his or her hours; or the date such insured employee or member is no longer in an eligible class; or the date such insured employee's or member's class is no longer eligible. Insurance may be continued for any covered person.
2. The death of an insured employee or member. Insurance may be continued for any covered person.
3. Divorce or legal separation. Insurance may be continued for any covered person whose insurance would otherwise end.
4. The insured employee or member becoming eligible for Medicare. Insurance may be continued for any covered person who is not entitled to Medicare.
5. A child ceasing to be an eligible dependent as defined in the group policy. Insurance may continue for that child.
6. The policyholder filing a Chapter 11 Bankruptcy petition. Insurance may be continued for any insured retiree and his or her covered dependents. But this only applies if the insurance ends or is substantially reduced within 1 year before or after the filing of the bankruptcy.
7. Termination of the group policy. (Benefits will be determined as if the group policy had remained in full force and effect.)
8. Strike, layoff, leave of absence for personal reasons (not Family or Medical Leave Act (FMLA)). Insurance may be continued for any covered person.
9. Military Service. The insured employee's or member's leave of absence due to military service. Insurance may be continued for any covered person, except for the person who is in active military service.

Continuation Coverage is not available for any person if coverage under the group policy terminated due to his or her failure to make required premium payments.

Continuation Coverage is not available to any person who is on FMLA. Continuation Coverage is also not available if a person fails to pay premium while on FMLA.

To be eligible for Continuation Coverage, a person must be insured under the group policy on the day before the event that caused loss of coverage. In the case of bankruptcy, the person must also be: (a) an employee or member who retired on or before the date insurance ends or is substantially reduced; or (b) a dependent of the retiree on the day before the bankruptcy.

COVERAGE CONTINUED

A person will not be denied Continuation Coverage solely because he or she is covered under another group accident plan like this one, or eligible for Medicare on the date of the event that caused loss of coverage.

The Continuation Coverage may include any eligible dependents who were covered under the group policy. The coverage being continued is subject to all terms and provisions of the group policy that do not conflict with this section. The coverage will be the same as that provided under the group policy for other persons in the same insurance class in which such person would have been if the loss of coverage had not occurred. The coverage will be subject to any changes to the group policy affecting the benefits of such class. The coverage will be effective on the day after the insurance under the group policy terminates.

NOTIFICATION AND PAYMENT REQUIREMENTS

The insured employee or member or other qualifying dependents have the responsibility to inform the insurer of: (a) divorce; (b) legal separation; or (c) a child losing eligibility under the policy. This notice must be made within 60 days of these events. Failure to provide this notification within 60 days will result in the loss of the right to continue the insurance. The policyholder has the responsibility of notifying the insurer of: (a) an insured's death, termination of employment, or reduction in hours; or (b) the policyholder's bankruptcy. This notice must be made within 30 days of the event.

The insurer will notify the qualifying person of the right to continue within 14 days of the notice described above.

The qualifying person will be required to pay a premium for the Continuation Coverage to the insurer.

CONTINUATION OF INSURANCE COVERAGE (Continued)

PREMIUMS

Premiums are due and payable in advance to us at our home office. Premium due dates are the first day of each calendar month. The premium rate for the first 36 months of Continuation Coverage will not exceed 102% of the rate in effect under the group policy covering a similarly situated class of employees or members who have not elected Continuation Coverage. After the first 36 months, the premium rate may change for the class of persons covered under Continuation Coverage. Notice will be given at least 45 days before any change is to take effect.

GRACE PERIOD

The grace period, as defined, will apply to each certificate holder of Continuation Coverage as if such insured is the policyholder.

TERMINATION OF INSURANCE

Insurance under Continuation Coverage will automatically end on the earliest of the following dates:

1. The date the person again becomes eligible for insurance under the group policy.
2. The last day for which premiums have been paid, if the insured fails to pay premiums when due, subject to the grace period.
3. With respect to insurance for dependents:
 - a. the date the insured employee's or member's insurance terminates; or
 - b. the date the dependent ceases to be an eligible dependent under the group policy.

A dependent child whose Continuation Coverage terminates when he or she reaches the age limit may apply for Continuation Coverage in his or her own name, if he or she is otherwise eligible.

Notice of claim must be given to us within 20 days after the loss or commencement of any benefit covered by this policy, or as soon as reasonably possible. Notice given to us by, or on behalf of, the insured employee or member or the beneficiary at 1776 American Heritage Life Drive, Jacksonville, Florida 32224-6687, or to any authorized agent of ours, with the insured employee's or member's name and certificate number, is notice to us.

We have the right, at our own expense, to have any covered person examined by a physician of our choosing, as often as may be reasonably required while a claim is pending. We may have an autopsy performed during the period of incontestability, where it is not forbidden by law.

PAYMENT OF CLAIMS

After receiving proof of loss, we pay all benefits then due under this policy within 30 days of receipt of written proof of claim. We will make payments to the insured employee or member unless such payments are assigned. Any amounts unpaid at the insured employee's or member's death may, at our option, be paid either to the named beneficiary or to the insured employee's or member's estate.

If benefits are payable to the insured employee's or member's estate or a beneficiary who cannot execute a valid release, we can pay benefits up to \$1,000 to someone related to the insured employee or member or beneficiary by blood or marriage whom we consider to be entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

ASSIGNMENT

An assignment of the coverage under this policy is not binding on us, unless:

1. it is a request; and
2. it is received and recorded by us at our home office.

We are not responsible for the validity of any assignment. An assignment is subject to any payment we make or other action we take before we record the assignment. An assignee may not change the owner or beneficiary.

We have the right to recover any overpayments due to:

1. fraud; or
2. any error we make in processing a claim.

The insured employee or member must reimburse us in full. We will work with such insured employee or member to develop a reasonable method of repayment if he or she is financially unable to repay us in a lump sum.
